REPORT OF THE COMMITTEE ON CLUB PUBLICATION.

The committee appointed by President Holacheck, on the matter of the advisability of the club's publishing a monthly bulletin or news report, have considered the subject at length and beg to report as follows:-

1.- We recommend the publishing of a bulletin of interest to radio amateurs. The name to be M.R.A.C. NEWS BULLETIN, or some other name choosen by the membership of the club.

2.- That the responsibility for such publication be centered in a member of the Milwaukee Radio Amateurs' Club, Inc., to be appointed by the Chairman and confirmed by the Board of Directors of the Milwaukee Radio Amateurs' Club, Inc., and thobe known as the Editor-in Chief, who shall be responsible to the Board of Directors of the Milwaukee Radio Amateurs' Club, Inc.,and whose duty shall be to edit and issue the publication and he shall be enpowered to appoint and dismiss at his discretion all assistants as he may deem wise.

3.- That the By-laws be amended to establish a class of membership to be known as nonresident members; Only those residing outside of the county of Milwaukee shall be eligible to this grade of membership; Each nonresident member to pay dues of one dollar per year; Seventyfive cents of which shall be appropiated toward the expenses of the publication and twentyfive cents to go into the treasury of the club.

4.- That there be appropiated from the treasury of the club towabd the expense of the publication seventyfive cents for each local member.

5

5.- The publication to be sent to all members in good standing and to such other persons as shall be deemed to the best interests of the club.

Signed. Fred Gatel Chairman.

Mr Jamesen spoke on the use of the Vacuum tube voltmeter.

There beingno further business them meeting adjourned,

MINUTES OF THE REGULAR MEETING OF THE MILWAUKEE RADIO AMATEURS CLUB

May 27th, 1926

The meeting was promptly called to order with the president, Charles S. Polacheck in the chair who opened the evening's business by reading a telegram from Mr. Catel. Our vice-president explained he was unavoidably out of town and could not attend the meeting. ~~It was not stated whether or not the telegram was sent collect.~~ In absence of Mr. Meyer, Mr. Hillegas-Baird assumed the secretarial duties which were restricted to reading a few of the week's communications. Don Wallace, Minneapolis wrote expressing sincere regrets that he could not attend the Badger Ham Round Up June 12th and Mr. Rose of Marquette, Michigan and Mr. Ryan of Manchester, Wisconsin sent in requests for reservations for the banquet.

Under the heading of traffic Mr. Crapo mentioned 9DTK and 9EK as the leading brass pounders of the month. Canoeing and tennis seemed to account for the low traffic totals. Mr. Chromy of the technical committee discussed ways of making Thermo Couples and the relative value of inexpensive home made measuring instruments.

Despite the chance of a shower of destructive criticism, encountered on a similar occasion before, Mr. Crapo described and exhibited his latest low wave receiver. The audience failed to find any defective construction or design but Mr. Crapo accounted for this by pointing to Catel's absence.

Business manager Sam Sneed announced the close of the radio class at the University Extension but told of next year's plan which included an advanced course as well as a repetition of the past elementary one. Salesman Sam has also come to the rescue of the traffic department. He is offering a trophy, the nature of which will be determined later, for stations, who report regularly, to strive for. Some of the requirements are that at least twenty-five messages must be handled each month and reports must be made promptly between now and December 15th. The contest is limited to paid up members of the Club.

Mr. Schunck brought up the matter of the new cable count for ARRL messages which was attacked and defended. Mr. Jameson, who has had operating experience on the lakes, recommended that it would be well for amateurs to use professional methods, thereby eliminating the necessity to relearn a practice should they desire to qualify as a commercial operator. The meeting adjourned at 9:40.

Respectively submitted,

MINUTES OF THE REGULAR MEETING OF THE MILWAUKEE RADIO

AMATEURS CLUB.....JUNE 3rd 1926.

The meeting was called to order by the President Charles S. Polacheck.

In the absence of Mr. Meyer , Mr. Schunck acted as Secretary Pro Tempore .The minutes of the previous meeting were read. Mr. Catel requested that the sentence referring to his telegram be stricken from the minutes.

Mr. Snead was conspicuous by his absence so no report from the Business Manager. But arrived later in the evening.

Mr. Crapo Communications Dept. Chairman was also absent.

Mr. Hatch 9 BBY made known his change in location to Manitowoc also that the only possible wave that could be used for communication between Manitowoc and Milwaukee was 80 meters, as 40 meters signals did not come thru consistently.

Mr. Catel again voiced his objections on the cable count for amateur use. This started things humming. It was further discussed pro and con by Messrs.Hillegas-Baird, Jameson, Snead, Hatch, Schunck and our visitor 5 SR. The majority present were in favor of giving it a trial for amateur use shown by a straw vote that was t taken.

The club organ Badger ARRL News was next discussed on the floor. Mr. Catel bringing out the fact that until sufficient advertising was received the publication June number would be held up. Mr. Snead talked on the same subject until the lights were unceremoniously turned out. When the meeting had to be adjourned.

Respectively submitted,

Fremont D Schunck

Secretary Pro Tempore

THE MILWAUKEE RADIO AMATEURS' CLUB INC.

Minutes of Regular meeting of June 10,1926.

The meeting was called to order by Pres Polacheck. The reading of the minutes was temporarily dispensed with. Pres Polacheck announced that tickest would be distributed on the norning of Sat.June 12. He asked for volunteers in to help in making the necessary arrangements.

Mr Snead announced that he had an interesting surprise planned for the party. Various other suggestions weremade.

Mr Knoff reported that he had 10000 massage blanks which would be distributed soon.

Pres Polacheck introduced Mr Raymond F Been,5PX of Little Rock ,Ark.,and Jos.Dockendorf,5SR,of Eagle Pass Tex.

Mr Ben Chromy gave an explanation of his recent article in Badger ARRL News dealing with current indicating devicee.

The Secy read the minutes of the previous meeting which were recieved from Mr Schunck who had been appointed Secy. Pro Temps for that meeting..

Mr Baird suggested that part of the banquet session be set aside for urging the out of town members to boost the advertising.

There being no further business the meetimg adjourned.

THE MILWAUKEE RADIO AMATEURS' CLUB INC.

Minutes of special meeting of June 12,1926.

The meeting was called to order by Pres Polacheck at 3:30 PM.

Mr Catel 9DTK spoke on the Badger ARRL News,making a plea for more advertising. He gave a short account of the history of the paper. A discussion followed.

Mr Pansch 9BIB of Racine stated that he had few suggestions to make,but praised the paper very highly.

Mr Bingham,9AFF of Chicago was of the opinion that little was lacking but quantity. He suggested enlisting the help of the hams in getting material for the paper.

Mr Nickel made a strong plea for more ham news and more ads.

Mr Rassmussen of Oshkosh praised the little news items appearing in the magazine.

Mr Schnell was of the opinion that whether its news or not should be left to the Editor."Send it along anyhow"

Mr Brickson of Stevens Point wants more quantity.

The representative from Plymouth would like suggestions for forming a radio club in the paper.

9DKA from New Holstein enjoys the paper and promises prospects for advertising.

Mr Dimock of Chicago boosted the League.
